

TWO DAYS STATE LEVEL SEMINAR ON “ADVANCES IN BOTANICAL SCIENCES”

Department of Botany

Dated 20th-21st Dec. 2019

Baburaoji Gholap College, Sangvi, Pune-27

21st Dec. 2019

Objectives:

- Inventorying, monitoring and characterization of Biodiversity
- To explore the importance of biodiversity
- To understand sustainable use of plant resources and its conservation
- To study biodiversity at genetic & molecular levels.

Scope

Biodiversity conservation (all plant group), Biodiversity monitoring, sustainable development, Agrobiodiversity, Agroforestry, Biodiversity at molecular and genetic level, Ecosystem & landscape development.

Report:

Department of Botany successfully organized a two-day state level seminar on "Advances in Botanical Sciences" on 20th and 21st December 2019 at Baburaoji Gholap College, Sangvi, Pune District Education Board. A total of 98 research students and professors from various research institutes and university-affiliated colleges in Maharashtra attended the seminar. Also post graduate and Ph.D. students of B.G. College Centre also participated in this seminar.

The seminar was started by Hon. Dr. M. G. Chaskar, Dean, Science and Technology, Member, Management Council, Savitribai Phule Pune University (SPPU) with his auspicious presence and inaugurated the event. In his presidential speech he told importance of seminar and imparting knowledge to society through biodiversity studies. The principal of the college Dr. Nitin Ghorpade said that the college is continuously implementing such research programs for the overall development of the students and to provide the professors with the latest knowledge in the field of research.

In this seminar which lasted for two days, renowned educational experts and scientists Dr. K.N.Dhumal, Dr. Surekha Kalkar, Dr. VB Shimple, New College Kolhapur, Dr. Narendra Kadoo, National Chemical Laboratory, Pune, Dr. Mandar Datar, Agharkar Research Institute,

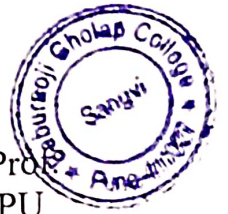

Pune Dr. Ravindra Patil Agharkar Research Institute, Pune, guided the attendees in depth on the topics of Biodiversity Conservation, Biodiversity Monitoring, Sustainable Development, Agricultural Biodiversity, Agronomy, Environment etc. The experts interacted with the present research students and professors on research projects, new research directions, current latest technology etc. and clarified the doubts.

In today's competitive era, cultural, artistic, sports and academic formation along with the development of research qualities of the students is necessary only if the country will produce more profoundly intellectual technologists and scientists, and in turn will promote development. Such an assertion by Dr. Avinash Ade, Head of Department of Botany, Savitribai Phule Pune University in his presidential address. He was speaking at the closing ceremony of the program. He praised and thanked the organizers for the successful organization of the seminar. The present research students and participating professors expressed their satisfaction for the excellent lectures organized in the seminar. Responding to the response of the audience, Hon. Principal Dr. Nitin Ghorpade said that the seminar was organized successfully. Effective functioning of the research and research centre in the college as well as constructive functioning is key of success of this seminar. Also the Principal of Mamasahab Mohol College Dr. B. N. Zaware gave valuable guidance to everyone in the closing speech. Dr Chanda Hase, Head of Department of Botany and Program Coordinator reviewed all the lectures in the seminar. Dr. from the same department said that the purpose of organizing the seminar was successful. D.M. Mahajan, Dr. Rani Bhagat, Prof. Tanuja Taru and Prof. Tushar Gawai worked tirelessly to organize the seminar. Dr. Vaishali Bansod moderated the seminar. In the seminar, Vice Principal Dr. Latesh Nikam and Heads of various departments were participated. All the administrative staff also supported the workshop.
