

REPORT OF WORKSHOP

“TRAINING ON INTELLECTUAL PROPERTY RIGHTS AND PATENTS”

2nd and 3rd MARCH 2020

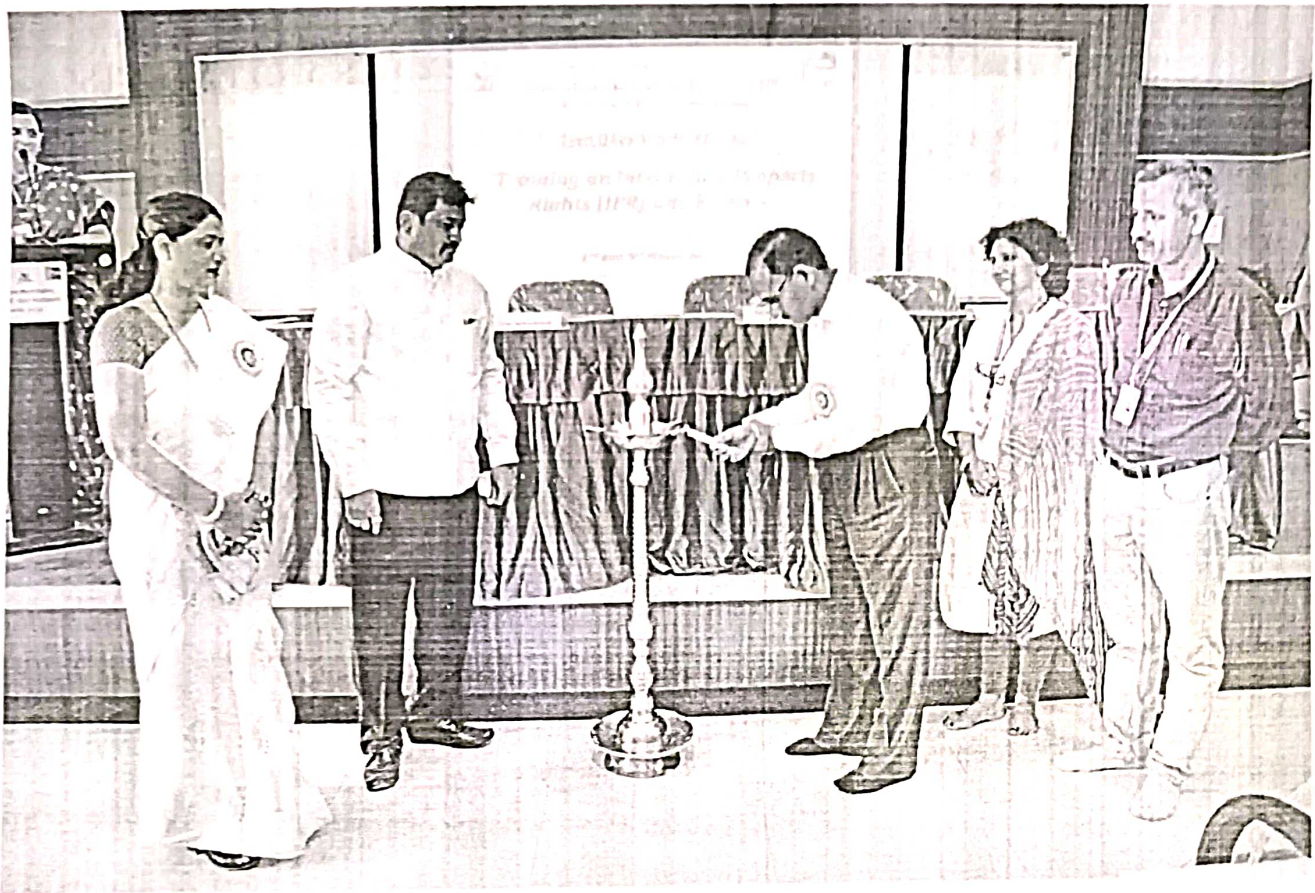

A self-funded workshop on “Training on Intellectual Property Rights (IPR) and Patents” was held in Baburaoji Gholap College, Sangvi, on 2nd and 3rd March 2020. Workshop was mainly intended for the college staff, research students and advanced learners of college. However, interested staff from the nearby colleges mainly PDEA colleges were also allowed to attend the same. About 47 staff and 66 students enrolled for the workshop, out of which 31 staff and 50 students completed it successfully.

The resource persons were called from the professional organization – Khurana and Khurana Associates from Mumbai who are actually involved in giving consultation about patents to many well-known organizations and industries around India. They also deal with other kind of IPRs such as copyright, trademarks, design etc. Mr. Swapnil Sanap and Mr. Parvez Kudroli guided all the audience. They gave exhaustive information in various sessions like introduction to IPR, various types of IPRs, what can be claimed and how to proceed further. On second day, they gave hands-on training for how to search the patents, different search engines and how to write a claim during patent writing.

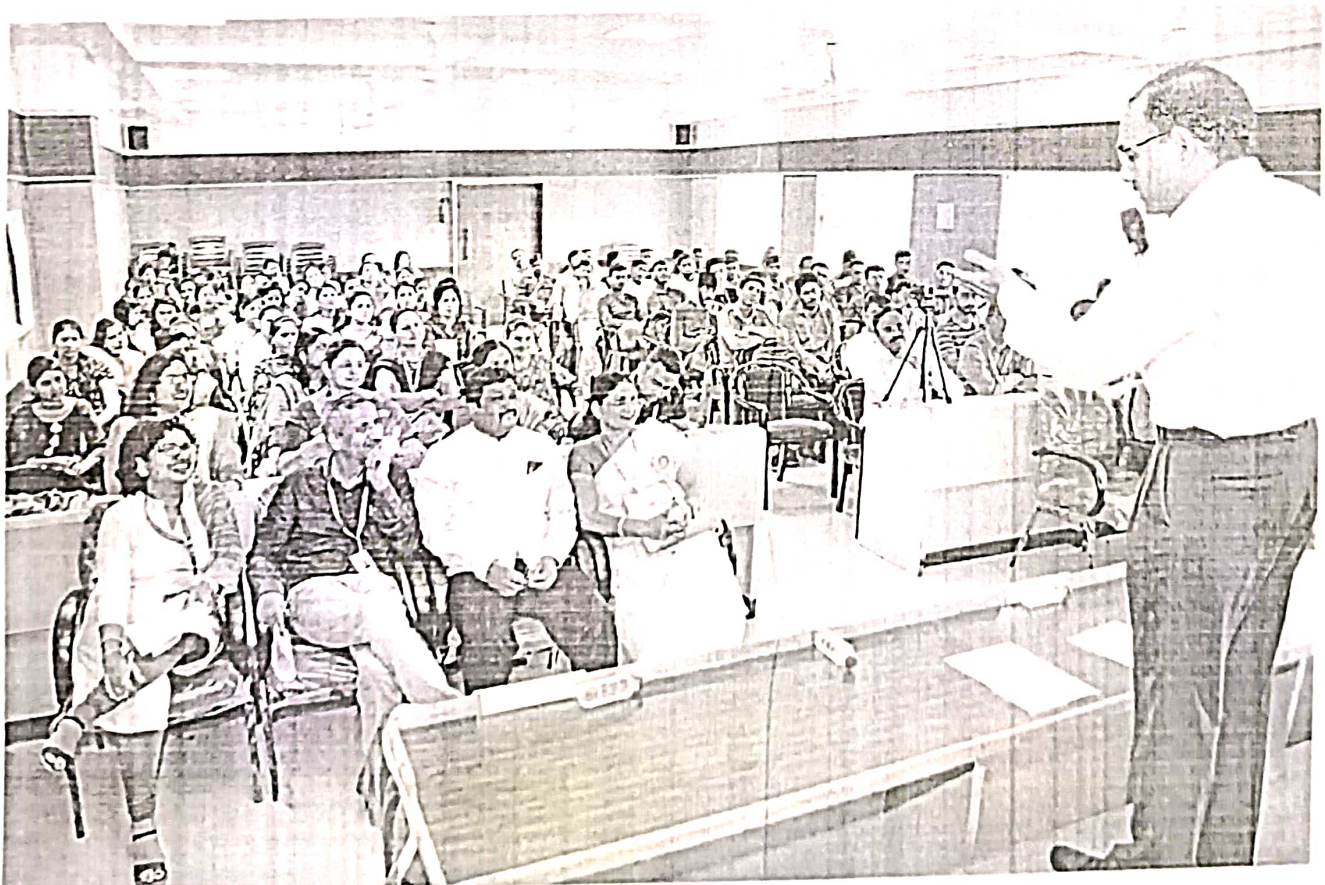

All the participants thanked Prin. Dr. Nitin Ghorpade for arranging this workshop and have assured him to file at least one patent in coming couple of years.
